

Maayu Government Solutions is an **SBA-certified Service-Disabled Veteran-Owned Small Business** that delivers AI-powered workforce solutions and veteran talent for federal agencies, federal prime contractors and employers. Our patented, human-first AI platform helps programs move more veterans into meaningful work, with people accountable for every decision.

CORE COMPETENCIES

AI voice agents and agentic workflows

Voice agents that answer and place calls 24/7 for program and benefits navigation, scheduling, reminders and recruiting follow-up, plus specialized agents for intake, sourcing and engagement. People approve every gate.

Veteran talent for IT, cybersecurity and engineering

AI-assisted sourcing, matching and interview coordination for IT, cybersecurity, engineering and cleared roles, including FDEs and Palantir, Databricks and Anthropic Claude platform roles.

Veteran career coaching and transition programs

A patented AI career coach for skills translation, résumés, interview practice and job matching, by text or voice, with counselors and coaches in charge.

Workforce program design and outcome reporting

Programs designed with agencies, schools and veteran organizations, with reporting that separates activity from interviews, offers, starts and retention.

ROLES WE FILL

- IT and software engineering
- Cybersecurity
- Forward-deployed engineers (FDEs)
- Palantir platform roles
- Databricks and data engineering
- Anthropic Claude and AI engineering
- Program and project management
- Cleared and clearance-eligible roles

DIFFERENTIATORS

- Human first, AI second: AI recommends, people decide, and every action is logged
- Patented AI career-advancement avatar (U.S. Patent 11,501,259, licensed from Maayu Inc.)
- Veteran-led: a retired U.S. Army Colonel and Recruiting Brigade Commander as CEO, and two retired Lieutenant Generals as advisors
- Commercial experience: our founders built a jobs platform to 3 million candidates and 3,600 hiring companies
- Outcome reporting that counts verified employment, not activity

TEAMING AND SUBCONTRACTING

- Teaming, subcontracting and joint pursuits on federal work
- Support for small-business and SDVOSB participation goals
- Veteran talent for IT, cybersecurity, engineering and cleared roles
- AI voice and workflow solutions with clear human oversight
